Important Airfield Information - No.90

Runway Rehabilitation – Weekend Runway Closures – Update 1

A full length runway resurface will take place during the period of **November 2017 to March 2018**, resulting in full night weekend closures. These closures at times will be ahead of and beyond the current published winter opening times of the aerodrome

The closures are as follows **with the exception of the festive period**;

Saturdays

Saturday 4th November until Saturday 25th November 2017 inclusive. Runway closed from 2000 until 1000 the next day (Sunday).

Saturday 2nd December 2017. Runway closed from 2100 until 1100 the next day (Sunday).

Saturday 9th December 2017 until 17th March 2018 inclusive. Runway closed from 1600 until 1000 next day (Sunday)

Sundays

Sunday 5th November 2017 until Sunday 18th March 2018 inclusive. Runway closed from 2030 until 0630 the next Day (Monday)

The Airport is not available as a designated alternate for diversions during the published closure times of the works, this applies to fixed wing and rotary.

Some additional closures may be required during the midweek period from November – March and these will be promulgated via NOTAM. Full details of the works will be published in an AIP supplement.

Please note that this IAI replaces No.88 which has now been withdrawn.

Please ensure that this information is promulgated to all applicable persons within your organisation as appropriate.

Best regards,

A handwritten signature in blue ink, appearing to read 'Andy Barton', is positioned above the printed name.
